From the Chairman and President

Dear Valued Members, Partners and Supporters,

As we reflect on 2024, we are filled with immense pride and gratitude for the incredible growth and progress we have achieved together. This year has marked a pivotal moment for the Chaldean American Chamber of Commerce. Our membership numbers have reached new heights, with our Corporate Membership seeing the most significant growth to date. This success is a direct result of the unwavering support from our exceptional Board of Directors and the dedication of all our members—your commitment fuels everything we do.

We've been building in every sense this year! Beyond building business, relationships, and community, we're thrilled to share that we are building a new home for the Chamber and the Chaldean News. This spring, we'll officially relocate to our new headquarters at the Chaldean Community Foundation West Campus in West Bloomfield, located at Walnut Lake and Inkster Roads. This state-of-the-art facility will not only serve as the Chamber's base of operations but will also become a vibrant community hub.

We can't wait to invite you all to our Grand Opening and Ribbon Cutting Ceremony in early Spring 2025. This momentous occasion will be a chance to celebrate our collective achievements and the bright future ahead. The new space will feature a museum, demonstration kitchen, small theater, TV and radio studios, and the Mar Ibrahim Library—a place where education, culture, and community come together. We envision this as a dynamic center for all our members to gather, collaborate, and grow.

On the advocacy front, 2024 has been a year of hard work on behalf of our members. We've been dedicated to advancing legislation that supports our business community. We are optimistic that HB 4757—which proposes an increase in the discount (retailer's commission) on alcoholic liquor sales for specialty designated distributors (SDDs) and on-premises licenses—will finally see traction in the coming months. If passed, this bill will provide much-needed relief for Michigan's small businesses, aligning our state with others and helping ease the financial strain caused by rising inflation, costs of goods, wages, utilities, and processing fees.

We've also worked tirelessly to protect our local gas station owners from out-of-state competitors like Sheetz, which plans to open dozens of 24-hour stations in direct competition with established businesses. Our efforts—including organized protests and letter-writing campaigns—have seen some success, and we will continue to stand strong in defense of our members.

As we look ahead to 2025, we are filled with hope and excitement. The upcoming year promises to be one of even greater accomplishments, with new initiatives, partnerships, and opportunities on the horizon. We are committed to expanding our support for each of you, celebrating your milestones, and helping you reach new heights in your business endeavors. Together, we will continue to build a thriving, connected community where every member has the resources and support they need to succeed.

Thank you for your unwavering support this year. We can't wait to see what we will accomplish together in the months ahead! May God bless this year with prosperity and peace.

With gratitude and anticipation,

Year in Review

We kicked off 2024 with a Fun @ Five event on **January 16**, at Cadillac Lodge in Detroit. It was our first time at the venue—but certainly not the last! The cozy atmosphere, festive tunes, and great company made the evening memorable. Elia Group, the parent company of Cadillac Lodge, 220, Parc, Anchor Bar, Zuzu, and others, never fails to impress with their signature drinks and appetizers.

Next, on **February 15**, we hosted the Industry Outlook featuring top CEOs, where we had a stellar panel including Saber Ammori of Wireless Vision, Rachel Stewart of Gardner White, and Jordan Jonna of Jonna Construction. We also explored a new venue, Aurora Italiana, and heard from our guest speakers about the complexities of running a business, building a strong team, and adapting to new technologies.

On **March 6**, we celebrated women in our Notable Women Speaker Series, featuring special guest Dunya Mikhail, an Iraqi poet and professor at Oakland University. Her work, which often explores themes of displacement, war, and survival, highlights the resilience and strength of women in the face of adversity. We hope her presentation inspired everyone in the community.

The 21st Annual Awards Dinner at Shenandoah Country Club on **April 26** honored Frank Jonna of Jonna Construction as Businessperson of the Year. Born in Baghdad but raised in Detroit, Frank's journey is a classic American immigrant story. His partnership with his brother in an established business, combined with his knack for understanding client needs, has been key to the company's growth. He was inducted into the Michigan Construction Hall of Fame in 2022.

The Chaldean Professional Network kicked off the event year on **May 16** at Zuzu, a new venue for us (and CACC member Elia Group) in downtown Detroit. The beautiful weather made it a perfect setting for the outdoor patio event, where around 100 attendees enjoyed the atmosphere, signature drinks, and passed appetizers.

On **June 4**, Johnny and Leila Kello hosted the annual PAC Scotch & Cigars event at their home on Wing Lake. The event was attended by many dignitaries and influential figures in the Chaldean business community. A special thanks to Rudy's Market, Sandiha Winery, and Wild Bill's Tobacco for their support.

Year in Review

Our Annual Golf Outing at Shenandoah Country Club on **June 13** was a hit, with 144 golfers competing for the cup and bragging rights. The event was made even more memorable by beautiful weather, and this year's champions, Farbman Group, took home the trophy.

The **July 23** Fun @ Five event, sponsored by Huntington Bank, took us to new heights—literally! Held on the 20th floor of their new Midtown headquarters, the views were breathtaking, the food was incredible, and the atmosphere was warm and inviting. We also invited members of the Association for Corporate Growth (ACG) to mix things up with new networking opportunities.

One of the benefits of being a Chamber member is access to the latest industry updates. On **July 25**, we hosted the Industry Outlook on Cannabusiness at Shenandoah Country Club. CACC President Martin Manna had a candid discussion with Brian Hanna from the Michigan Cannabis Regulatory Agency, who also answered questions from the audience.

Our Annual Golf Outing at Wa-beek Country Club on **August 15** was both fun and successful. Co-winners Puff Cannabis Company and Value Wholesale took home the trophy, while Hollywood Greektown Casino generously donated an exclusive VIP event experience, and Wayne County contributed a Tigers suite package for our 52 Card Deck Raffle.

The third Industry Outlook event of the year, our last event of the summer, took place on the Cielo Rooftop at the Cambria Detroit Hotel on **August 20**. Guests were treated to talks on employee retention and wellbeing from Chris Kouza, Chairman of Koucar Worldwide, and Jessica Vilani, Director of Product Management at Blue Cross Blue Shield of Michigan.

Our annual Corporate Appreciation Luncheon, held on **September 27**, is our way of thanking our wonderful Corporate Members for their ongoing support. Hosted by Hollywood Casino at Greektown, the relaxed Friday afternoon event allowed members to mingle, enjoy a strolling lunch, and sip mimosas and bellinis.

On **October 3**, the Chaldean Professional Network hosted an inspiring Meet the CEO Series event featuring Danny Marogy, Senior Director of West Coast Development at United Wholesale Mortgage (UWM). Danny shared his career journey and insights into the motivation behind his professional and personal success, especially in relation to his family. The event, held at 220 Merrill in Birmingham, offered an intimate setting for connection and learning.

The CACC's 18th Annual Business Luncheon, held at Sound Board at MotorCity Casino Hotel on **October 18**, featured prominent political figures, including Michigan Senate candidates Representative Elissa Slotkin and Former Representative Mike Rogers. The discussions were moderated by Roop Raj of Fox 2 News, and Detroit Mayor Mike Duggan made opening remarks.

Our Annual Meeting & Board Election took place on **November 13** at Shenandoah Country Club. Over 150 members gathered to network and vote for seven open seats on the Board. The evening kicked off with dinner, cocktails, and swag provided by our corporate members, followed by the meeting and election.

Finally, our Annual Christmas Party on **December 3** wrapped up the year at Cadillac Lodge in Detroit. Guests enjoyed specialty holiday drinks, light bites, and festive cheer while mingling with friends and fellow members. It was a joyful way to end our event season in the same venue where it all began.

ABOUT OUR PUBLICATION

CHALDEAN NEWS

Michigan's Chaldean American Community

More than 160,000 Chaldeans call Metro Detroit home – and the number is growing. Chaldeans, the indigenous people of Iraq, are Christians who speak Aramaic. In search of religious freedom and a better way of life, they began immigrating to the United States, particularly Southeast Michigan, beginning in the 1920s.

**Chaldeans are highly entrepreneurial:

Our Publication's Mission

Through lively, informative articles written by award-winning journalists, the Chaldean News keeps Michigan's Chaldean American community connected on news, events, trends, personalities and milestones.

Published and owned by the Chaldean Community Foundation, one of the area's largest non-profits, the English-language magazine is the source for news and information in the Chaldean community.

Beginning in 2023, the Chaldean News will launch a series of events and community building initiatives to preserve and promote this ancient and lively culture.

Manresa Jesuit Retreat House

How much time do you have to do something good for yourself?

Manresa offers the space, quiet and resources to deepen your faith and grow closer to God, regardless of how much time you have.

5 hours Sunday Afternoon Reflections

The afternoon includes two talks, time for private prayer/devotion, Sunday Mass (if offered) and dinner to round out the day. 2:00-7:00 PM

8 hours A Day to Call Your Own

Step away from the busyness of everyday life. Embrace the silence. Enjoy the comfort of your private room and a simple lunch. Spend the day however you wish — reflect, pray, walk the property, read or just be. 8:00 AM-3:30 PM

40 hours Conference Retreats

You will enjoy a private room, meals, presentations by retreat directors, time for Reconciliation or speaking with a spiritual companion, private reflection on Manresa's beautiful campus and other spiritually-enriching options. *Typically begin Friday evening and end midday Sunday.*

4-8 days Individually Directed Retreats

Relax at Manresa with your own room, prepared meals and personal spiritual direction from a member of our retreat staff or a spiritual companion. In summer, certain sessions are reserved for individual retreats; other dates can be booked year round depending on availability of directors/companions.

8-12 weeks, 30 days or 10 months

Praying with the Spiritual Exercises

Pray and reflect on the meditations and themes of the Spiritual Exercises of St. Ignatius in the midst of your daily life. Each experience requires a significant commitment of time for daily prayer on specific Scripture selections and weekly

meetings with a director via Zoom, FaceTime, phone or in person. Choose the format that works best for you:

Eight Weeks — Pray daily for 30 minutes for eight weeks using retreat content offered online.

12 Weeks — Pray daily for 30 to 45 minutes for 12 weeks using a prayer workbook/journal with daily Scripture passages, notes and guide questions.

30 Days — Pray daily for 30 to 45 minutes aided by 30 sequential reflections for prayer and meditation found in a book or online.

10 Months (19th Annotation Retreat) — A daily commitment of 60 to 90 minutes of prayer and reflection centered on the themes of the Exercises for approximately nine or ten months.

Call today to schedule your visit to Manresa.

PROJECT LIGHT

MENTAL HEALTH PROGRAM

Emotional wellness is the ability to understand your emotions and adapt to difficulties, stress, or changes in life. Emotional wellness is important for overall health and can lead to better physical health, stronger relationships, and emotional resilience.

Project Light trilingual (Arabic, Chaldean, English) licensed, professional therapists are here for you and your best health. Through the process of therapy, you can change self-destructive behaviors and habits, resolve painful emotions, improve relationships, and explore issues that may be hard to face alone.

Your therapist will help you to establish person centered goals and determine the steps you will take to reach those goals. Your relationship with your therapist is confidential and our common therapeutic goal is to improve the quality of life, no matter the challenge.

We invite you to seek out the Light of Project Light! Serving Michigan residents ages 13 years and up. Please call to request a Project Light Intake at (586) 722-7253. ■

CONFIDENTIALITY AND PRIVACY: The CCF and Project Light is committed to your privacy and confidentiality and are sensitive to the stigma and stress that come with seeking mental health support. Therefore, all counseling records are kept strictly confidential. Information is not shared without client's written consent. Exceptions to confidentiality are rare and include persons who threaten safety of themselves others in circumstances of a court order.
