## From the Chairman and President

Dear Members, Partners, and Supporters:

As we look back on 2025, we are once again reminded that our greatest strength is our community. This year brought meaningful milestones, ambitious growth and momentum on the issues that matter most to Chaldean business owners and professionals in Michigan and beyond. None of it would have been possible without the vision and service of our dedicated Board of Directors – and of course, you. Your partnership drives our mission, expands our reach, and elevates our collective voice.

In 2025, we created more opportunities than ever for member engagement. Events brought members together with published authors, elected officials, heads of departments, and state advocacy leaders. Dedicated PAC events strengthened critical relationships with bipartisan policymakers.

June marked a defining chapter: the grand opening of the CCF West Campus, where we proudly dedicated the Mar Ibrahim Library, a home for cultural preservation, learning and community gatherings for generations to come.

In true community spirit, our Trunk or Treat event filled the West Bloomfield campus with boundless energy and creativity. We extend our heartfelt gratitude to the Marvin Toma Memorial Fund for its continued presence and impact.

In November, nearly 150 members participated in our Annual Meeting and Board Election, helping shape the leadership that will guide the Chamber into 2026. The evening captured the heart of our work: connection, collaboration and active participation in the future we build together.

This year also underscored our commitment to advocacy. We continued championing legislation supporting Michigan retailers, including efforts surrounding HB 4113, which proposes an increase in the discount (retailer's commission) on alcoholic liquor sales. We also stood firmly behind local fuel retailers as new 24-hour out-of-state competition expands in Michigan markets, ensuring members' concerns were heard at the state level.

As we move into 2026, we are energized by the foundation laid this year. Our focus remains clear: expand membership value, amplify advocacy, celebrate our storytellers, and invest in spaces and programming that strengthen our cultural and economic legacy.

Thank you for your steadfast support. We are honored to serve you and inspired by all we continue to accomplish together.

May God bless the year ahead with peace, purpose, and prosperity.

With gratitude,

Sylvester Sandiha

We welcome the Chaldean American community to Manresa Jesuit Retreat House.

# Encounter the Sacred at Manresa

*Come, enter into the sacred space and holy stillness of Manresa. Accept the invitation to open your heart to God's transforming presence.*

For a century, Manresa has been a sanctuary for countless individuals who have found spiritual renewal and deeper connection with God. Our house and grounds offer a quiet and safe space where men, women and youth come each year to encounter the Sacred and experience the transformative power of the Spiritual Exercises of St. Ignatius of Loyola.

Regardless of the time you have, our retreats and programs are designed to fit the rhythms of your life.

#### **1-2 hours—Programs for Spiritual Enrichment**

In-person and online programs and classes offered September through May on a variety of topics.

#### **5 hours—Sunday Afternoon Reflections**

Includes two talks, time for private prayer/devotion, Sunday Mass (if offered) and dinner to round out the day. *2:00-7:00 PM*

#### **8 hours—A Day to Call Your Own**

A private room and simple lunch is provided. Spend the day however you wish — reflect, pray, walk the property, read or just be. *8:00 AM–3:30 PM*

#### **40 hours—Conference Retreats**

Includes a private room, meals, presentations by retreat directors, time for Reconciliation or speaking with a spiritual companion, private reflection and other spiritually-enriching options. *Typically begin Friday evening and end midday Sunday.*

#### **4-8 days—Individually Directed Retreats**

Relax in your own room, enjoy prepared meals and personal spiritual direction. Choose from one of four summer sessions or book a time throughout the year as space and staff allow.

#### **8-12 weeks, 30 days or 10 months**

Pray and reflect on the meditations and themes of the Spiritual Exercises of St. Ignatius in the midst of your daily life. Each experience requires a significant commitment of time for daily prayer on specific Scripture selections and weekly meetings with a director via Zoom, FaceTime, phone or in person. Choose the format that works best for you.
